

History – Summary for the years | 1987-1996

1987 was a big milestone, WRDGC celebrated their 40th Anniversary. Memorial Garden got a dedication for the members who left us. In 1987, forty hanging baskets were planted and hung on Johnston Road in White Rock, with the assistance of the Kiwanis Club. These were also later taken over by the City. School gardens were a focus when, with the assistance of the teacher and pupils, flower gardens were started at Hall's Prairie School, and Elgin Elementary School. La Connor was visited during the Tulip Festival.
